INTRODUCTION

We of the Suwannee County Genealogy Society are happy to present volume 2 of all the known gravesites in Suwannee County. This first volume includes 27 cemeteries housing over 5,300 individuals. It has a table of contents which lists each church with its page number for easy reference. There is a "last name" index at the back of the book which will give the page numbers where one will find a particular name. For example...one may be interested in the BAILEY name. By checking the index, the researcher will find the name BAILEY on several pages. By checking each of the pages where this name may be found, the researcher may find several of his/her ancestors.

We have identified the LOCATION of each cemetery in two ways. 1) By township, range, and section (a county map will be needed for this), and 2) by actual directions to the cemetery from a well known town. Family relationships are made for the researcher when they are obvious. Each of the gravesites in each cemetery are numbered one to however many graves are in the individual cemetery to make it possible to cross-reference relationships. We trust this will help in your research. All additional information found on the tombstones besides birth and death dates are added within parentheses. At the end of each cemetery's listing we have stated the number of unmarked gravesites found.

I would like to express my heartfelt thanks for each one that had a part in accomplishing this "Herculean" task. I especially would like to thank Dale Baker, Bobbie Nelson, Jim & Hazel Farnell, Mary Anderson, Jody Childs, and Donald Brim for their faithful dedication in this particular work. Without each of you this book could never have been accomplished this soon.

On the tombstone of Evelyn E. Sellers we found this inscription. We thought it might be appropo as an introduction for this series of cemeteries and their respective gravesites.

"SURPRISE IN HEAVEN"

"I dreamed death came the other night,
And heaven's gates swung wide.
An angel with a halo ushered me inside,
And there to my astonishment
  stood folks that I had labeled,
As quite unfit, of little worth,
  and spiritually disabled.
Indignant words rose to my lips,
But never were set free.
For every face showed stunned surprise...
No one expected me''
